

About New York Methodist Hospital

New York Methodist Hospital, founded in 1881, has grown to today's 618-bed acute care facility. The Hospital is affiliated with the Weill Medical College of Cornell University and is a member of the New York Presbyterian Healthcare System. Located in Brooklyn's Park Slope section, New York Methodist Hospital serves a primary area of approximately 750,000 persons and a secondary area including all of Brooklyn.

With an operating budget exceeding \$500 million, New York Methodist Hospital provides treatment and services to over 31,000 inpatients every year. Over 350,000 patient visits and procedures are logged annually through the Hospital's outpatient clinics and Emergency Department

Among the clinical services and programs available at New York Methodist are a cardiac surgery center, women's diagnostic center, a cardiac catheterization unit, a cardiopulmonary physiology lab, a chest pain emergency center, a stroke emergency center, a sleep disorders center, a vascular laboratory, a pain management center, a Parkinson's disease program, a surgical weight reduction center, a spine & arthritis center, and an ambulatory chemotherapy center. New York Methodist Hospital has the most sophisticated diagnostic imaging technology both at the Hospital's main campus and at satellite facilities. MRI, CT scan, PET scan, ultrasound and nuclear diagnostics are available. The Hospital is a regional radiation oncology center, with a stereotactic radio surgery program.

About New York Methodist Hospital Center for Allied Health Education

In 2007, New York Methodist Hospital reorganized all of its allied health educational programs and created the Center for Allied Health Education. The Center occupies 13,000 square feet of state of the art educational space. The facility includes seven (7) classrooms, eleven (11) lab rooms, a fifteen (15) computer station library, a student lounge, a faculty lounge/office and a large administrative suite. The facility has laboratory equipment necessary to enhance the different educational programs including but not limited to: x-ray machines, ultrasound machines, microscopes, EMS equipment, venipuncture arms and CPR and First Aid equipment.

Office Hours

The administrative office hours are Monday through Thursday 9:00AM to 5:00PM and Friday 9:00AM to 1:00PM.

Notice of Non-Discrimination

New York Methodist Hospital, in accordance with Title VII of the Civil Rights Act of 1964 as amended and all other applicable New York State and Federal Laws, does not discriminate on the basis of race, creed, color, national origin, religion, sex, marital status, age or handicap in any of the policies, procedures or practices for admission or employment.

VA Approval

The Bartone School of Radiography, EMS Institute, School of Diagnostic Medical Sonography, School of Clinical Laboratory Science and School of Radiation Therapy are approved by the State of New York Division of Veterans' Affairs' Bureau of Veterans Education.
